## About Elish Education Services Placement Service Proposal for Students

## About Elish Education

*.....From Counseling to a Career path.... With you.... Always.”*

- Elish Education is a premier IT Consulting firm which provides one stop solutions for all Students and Educational Service provider needs.
- From Counseling till helping you settle down in a career path, we stay with you for all your educational and career related needs.
- Make Better Decisions Using Big Data and Analytics.
- Better Information, Valuable Insights and Predictions.
- Informed decisions.
- We are India and USA based IT company founded by Silicon Valley geniuses who use top of the IT Analytical and SaaS (Software as Service) technologies to help predict and take informed decisions in daily life.

# Decide

Elish  
Education

.....*Keep it simple.*

- You don't have job because you don't have experience and you don't have experience because you never had a job.
- A job not worth doing is not worth doing well.
- Hunger is not the worst feature of unemployment; idleness is.  
- William E. Barrett
- In everything you do, preparation is ninety percent of the job.

## Counsel with us

.....*We start with a basic question, what do you want to do?*

- No worries, if you don't know the answer, because anyway after listening to you, we start with your life history, gather all your academic credentials, your interests and hobbies, your background and your future plan including your be and to-be financials and emotional obligations.
- We are founded and collaborated by leading IT and Educational Service Providers who stay on top of Technologies and business market in various areas. (please check [www.elishconsulting.com](http://www.elishconsulting.com)) for our clients list, We partner with various Top Education providers across state and we are also leading Consulting service providers in domains such as, IT, Legal, Medical, Educational etc.
- Now, we may ask you to take a simple test to confirm our understanding about you.
- and since, we know market and technology so well, Then after, We simply judge your answers on a grueling set of parameters.
- Finally, Here it is..... This is what you should be doing and This is where you should be doing it. ....And We call it an "Informed Decision".

*"You needed this years ago. "Up to this point, you've been just guessing."*

## Your Second job

*.....just turn yourself in .....*

- We certainly do not stop working with you until you see a light at end of the tunnel. (not to be confused with light of an Incoming train).
- We continue to work with you and train you on new technological advances and coach you over time.
- Remember, whatever you do, there is another person, willing to do that in half of the money you receive.  
Only way to stay ahead of this person is, “Do it like, none other can do it like you do”.
- Do not be afraid to leave a place, when you feel like you are stuck and do not see a future. No Pain, No Gain.
- We wish you all the success in all your future endeavors.

## Please join us

*.....just bring yourself .....*

- Our process is very simple.
- Please tell us what do you want to do and why you think is best suited to your abilities and long term plan and let us do the rest.
- We may give you a very simple test to complete.
- We promise to stay with you, starting a Counseling session with you, admission to an institute, offering all sort of trainings during your tenure and to a placement till you see a glowing career path in your job.
- Please call (0512-2222164) or email us ([info@elisheducation.com](mailto:info@elisheducation.com)) immediately or visit us at [www.elisheducation.com](http://www.elisheducation.com)
