# Decide

.....*Keep it simple.*

- I hated every minute of training, but I said, 'Don't quit. Suffer now and live the rest of your life as a champion.' - Muhammad Ali
- Excellence is an art won by training and habituation.
- "Careers and Trainings are for people who wish to advance. And Not for people who want to only survive, draw a paycheck. "
- First do enough Training, then "believe in yourself".
- "Education comes from living life, following passions, accessing information, observing, reflecting, & being inspired by wise & courageous elders in the community."

# What

# Industrial Training and Final year Projects

....we are authorized and approved Industrial training provider by leading institutes.

- Your Industrial training as part of your college curriculum is there for some very good reason.
- This training prepares you for a real life job scenario and shows you a glimpse of how to apply your classroom knowledge into something working in real life.
- Unfortunately, Students take this training as a formality & don't take seriously.
- Students should realize that, time spend in Industrial training, not only prepares you for real job market, it also helps you re-think and direct your studies to something which interests you and which you can advance your career way beyond session marks.
- We at Elish Education, pioneer in Student's Industrial and Final year projects, We provide you an innovative platform to thrive and thrill your classrooms/bookish knowledge in to a useful and brilliant idea.
